

DISCOVER **FIBRES** WITH NATURAL CONNECTION

Thai Acrylic Fibre Co., Ltd. world's 2nd largest exporter of acrylic fibre, tow and tops will have their premier products - Radianza™, Pilbloc™ and Amicor™ for display at SPINEXPO 2014.

Radianza™ is a gel-dyed fibre available in more than 25 shades
Amicor™ is one of the most trusted anti-bacterial fibre available in the market
Pilbloc™ is an anti-pilling fibre that makes garments look new even after multiple washes

Visitors will also get an opportunity to preview the very latest range of garments & yarn blends of these fibres at our stall.

Additionally, an experience of varied range of winterwear, fashion apparels and beds & beddings fabrics in latest trending colors will also be available. Ensure you visit us and feel our entire range of Birlacril™ fibres.

Visit us at Stand **H-07**, Opposite Trend Area at SPINEXPO, Shanghai or you can contact us at birlacril@adityabirla.com or call +66 036240100
